

## SUMMER 2018 8TH ASSIGNMENT

On the second week of the upcoming school year, Intermediate Latin students will have a vocab test reviewing the Cambridge Latin Course terms from Stages 1-16. Below you will find links to our past vocab lists and a sample of what the test format will be.

Exploratory Latin students will be reviewing these terms over the course of the year, and therefore have no official summer assignment (though reviewing vocab is always wise!).

Of course, students should feel free to email Mr. Shoup ([jeff@paragonprep.com](mailto:jeff@paragonprep.com)) with any questions!
